## Congratulations to this happy family!

Like so many of our Buyers in a tough market, their search meandered from city to township, from condos to single-family, and stretched across a year of tough competition. More than one of the Studio partners had the opportunity to tour with the couple, as we have been called on to cover for one another when a hot property comes on the market - which

these days, seems to be every property!

So from the whole team, we are so happy for you, Julie and Jacy!!
